About IFSA

The International Flight Services Association is a global professional association created to serve the needs and interests of airline and rail personnel, caterers and suppliers responsible for providing inflight services on travel routes around the globe. IFSA's membership is dedicated to the advancement of the multi-billion dollar inflight services industry.

In order to serve the needs of the membership, we will:

- Grow Global Airline Engagement
- Positively Influence Regulations to Best Serve the Industry & Passengers In-flight
- Strengthen the Voice of the Industry

IFSA partners with the [Airline Passenger Experience Association \(APEX\)](#) and [Future Travel Experience \(FTE\)](#). Together the organizations address the full spectrum of the end-to-end travel experience.

MISSION STATEMENT

To lead, develop and represent the global business interests of the onboard services industry.

VISION STATEMENT

To be the leading advocate for the advancement of the global inflight service industry.
